

BE A *GOOD NEIGHBOR*

DID YOU KNOW...

TRASH CAN MANAGEMENT

Cans should be placed in the right-of-way for Monday A.M. pick-up no earlier than the day before collection (Sunday.) Cans should be pulled in and stored behind the front plane of the house, or otherwise hidden from view, no later than 7 P.M. on collection day. A repeated failure to comply could result in warnings or citations from the City of Atlanta.

BULK WASTE

Residents are now required to **schedule individual bulk waste pick-up**. **Bulk waste will no longer be picked up on a regular monthly basis.** After scheduling your pick-up day, items should be placed curbside no earlier than 7 PM on the day preceding the pick-up day. Placement curbside prior to the allowable window may result in a citation. Residents placing bulk waste items curbside without scheduling a pick-up will be charged \$325. Bulk pick-ups can not exceed more than 12 times per year per address.

PET WASTE

We love your dog! We know our furry residents have to go. Please pick-up your pet's waste and dispose of it in a **regular trash bin**. Did you know that pet waste bags can not be placed in yard waste bags? They will be removed by DPW and left on the ground for all of us to enjoy as they heat up. Oomph. Gross.
